WORK EXPERIENCE .

Front-End Developer

Worldpackherd

Remote 6 months

- Collaborated with cross-functional teams to design, develop, and launch new features on the website, resulting in a 20% increase in website traffic.
- Developed and maintained multiple projects using ReactJS, NextJS, and other front-end technologies.
- Implemented responsive design and optimized website performance for better user experience.
- Utilized bootstrap and styled-components to style the website effectively.

Front-End Developer

Operaads

Remote 12 months

- Designed and developed user-friendly web pages and components using HTML/CSS/Javascript, ReactJS, NextJS, and Redux for state management.
- Worked closely with the UX team to translate wireframes into interactive prototypes.
- Improved website loading speed by implementing lazy loading and reducing the number of requests.
- Developed custom ReactJS components to enhance the user experience on the website.

GoodNewsNigeria web -app project

6 months

- Designed and developed a web application that aggregates good news about Nigeria and Nigerians from multiple sources.
- Used ReactJS and NextJS to build a dynamic and fast-loading website and Redux for global state managements.
- Implemented a responsive design to ensure optimal user experience on different devices.
- Utilized styled-components to effectively style the website.
- Integrated with backend to fetch data from APIs, as well as sign up and sign in functionality.

EDUCATION

National Diploma - in Accounting (2015)
Lagos State Polytechnic, Lagos state.
