WORKING EXPERIENCE

2019 till date

Web Developer Specialist,

| www.fiverr.com, www.peopleperhour.com.

- These are digital marketplace websites where I've been working as freelancer since 2019 till date, I work closely with clients through the website chatting app, I've worked on series of project using my experience and skills to create responsive and seo friendly websites. My clients satisfaction are my priority, which is why I pay much attention to details of each project and ensure the aesthetics and styles matches their brand.

2019 - 2020

I4G/ZURI TEAM INTERSHIP

www.i4g.zuriboard.com

- In this internship, I was part of a team of 10 consisting of designers, frontend dev and backend dev, we worked on Stocka Digital inventory, Stocka is an inventory digital solution that takes account of your sales and stocks, calculates their profits or losses over a specific period of time and offer suggestions to build profits. https://stocka-frontend-demo.netlify.app/ using html, css and vanilla javascript with a dedicated dashboard for logged in user to review, buy and sell shares
